

Instruction for Preparing your manuscript for the INPC2007 Proceedings

Use the LaTeX template file `inpc2007-template.tex` which is downloadable from

http://www.inpc2007.jp/download/inpc2007_template.tex

This template requires BOTH `elsart.cls` and `elsart1p.cls`, downloadable from

http://www.elsevier.com/framework_authors/misc/elsart.cls
http://www.elsevier.com/framework_authors/misc/elsart1p.cls

for further instructions, see

http://www.elsevier.com/framework_authors/misc/instructions-num.pdf

as well as

<http://www.elsevier.com/wps/find/authorsview.authors/elsart>

Put all your LaTeX and figure source files in a single folder, compress the folder using zip (or gzip), and send the compressed archive by e-mail attachment to

proceedings@inpc2007.riken.jp
